Crystal Beach Betterment Association

PO Box 68
Canandaigua, NY 14424
www.thecbba.org

To all the residents and property owners of Crystal Beach,

We hope that all our neighbors had a warm, cozy, and safe winter. On behalf of the CBBA, we would like to thank all residents for their past financial support, as well as the volunteers who helped support our beaches and parks this past year. Hats off to those who continually contribute and volunteer to keep our community beautiful!

We understand the coronavirus crisis has brought financial insecurity to many families. Any amount you can afford to contribute to the CBBA goes directly towards keeping our parks maintained and accessible for much needed and safe outdoor recreation during this difficult time. Thank you so much in advance for whatever you can contribute!

Enclosed you will find the annual donation form for 2021. We can accept payment via mail by check, or conveniently online via PayPal or debit/credit card at our secure website: www.thecbba.org. Please keep in mind that the Crystal Beach Betterment Association is a non-profit neighborhood organization of volunteers responsible for keeping all the parks, beaches, and rights-of-way operational for your enjoyment, and all money donated is used towards this purpose. Board members and volunteers offer their time freely to support and maintain these for the community. We depend on your generous contributions to make this happen! We are always looking for volunteers for our parks and beach clean-ups and marketing committees. Contact the CBBA through the website for further information.

Request for Submissions - Your Photographs Needed

The Crystal Beach Betterment Association requests submission of your favorite photos of the area for possible use in the creation of a **2022 Crystal Beach Calendar**.

Photos must be your own work and are not limited to Crystal Beach, any landscapes of the Finger Lakes area will be welcomed.

The CBBA Board will choose 12 – 18 photographs for one time use in a 12 month or 18-month calendar. Credit will be given, and the photographers chosen will each receive a copy of the calendar. We hope to have copies of the calendar available at the summer meeting.

Please forward your digital photographs to Secretary Lisa Maslyn at lisaem555@gmail.com under the heading CALENDAR PHOTOS. Deadline is May 20, 2021.

Thanks!
